

## Conditions of Entry

If in the past 14 days you have:

- (a) returned from overseas, travelled from Melbourne or have come into contact with a confirmed case of COVID-19; or
- (b) if you have any of the following COVID-19 Symptoms (fever, cough, sore throat, shortness of breath, aches and pains, headaches and runny or stuffy nose)

You are NOT allowed to enter the Summer Hill Community Centre. Furthermore, in accordance with Public Health Orders you are required to self-isolate, seek medical advice and/or visit a COVID-19 Clinic.

Only authorised personnel, service providers and approved participants escorted by the service provider in charge are to enter the premises. To schedule an appointment please call centre office on (02) 9799 5800.

All authorised persons entering the premises agree to provide their personal details for contact tracing purposes on arrival. To ensure the safety of service providers and participants, the front door is to remain locked and shut at all times. Only the authorised service provider is to open the front door to allow authorised participants in and out of the premises.

All personnel, service providers and participants agree to adhere to strict Public Health Orders and relevant COVID-19 Safety Plans at all times.

Any breaches to the conditions of entry by the service provider and/or participants may result in the temporary or permanent cancellation of all future bookings without notice.

We apologise for the inconvenience and disruption; however these measures are paramount to minimise any potential risk of community transmission.

We thank you for your understanding and ongoing support.
